

How much does Austrian power cable tray cost

Overview

The average cable tray price per meter ranges from \$2 to \$25, depending on material, type, size, and surface finish. For bulk orders or project pricing, the cost can be significantly lower. The main cost driver is the material used in manufacturing: Built to last and easy to install, you can count on AGM Electrical Supplies to offer you products that are durable, adaptable, compatible and come with an economic price tag. Steel cable trays provide high strength at a low cost. Apart from this, they are ideal for a variety of applications. Stainless steel cable trays are also commonly used across. View the Ozstrut Cable Tray range below: Ozstrut provide the following cable tray options: Perforated Cable Tray: is the light-duty option with holes to allow airflow, which cools the cables down to prevent over-heating.
