

Indonesian manufacturer of single-mode optical fiber systems for smart buildings

Overview

Running since 2015, Sumber Utama Fiber Indonesia (SUFI) is a leading provider of optical fiber preforms, optical fibers, optical fiber cables, and integrated solutions using 100% green energy. PT ZTT CABLE INDONESIA non shifted dispersion single-mode fiber with extended wavelength range adopts advanced preform rod making technology and drawing process to reduce the water peak loss at 1383nm. CCSI is known as a manufacturer of high-quality premium fiber optic cables. With state-of-the-art production facilities, rigorous quality assurance processes, and a team of experienced professionals, we deliver. Our mission is to deliver high-quality fiber optic products that enable fast, reliable, and future-ready connectivity for businesses and communities. Built to scale with your business, our fiber optic systems are designed to handle tomorrow's network demands, today. Known for their extensive product range, including single-mode and multi-mode cables, PT. Indonesia Cable provides solutions for both telecommunications and industrial applications.
